Purpose

The purpose of this policy is to ensure that Newton Rigg Ltd staff and associated personnel are aware of their responsibility in meeting our legal and statutory duties with regard to financial controls.

Scope

Trustees, staff, volunteers and associated personnel all have some level of responsibility for this policy as set out below. Ultimate responsibility rests with the Trustees of Newton Rigg Ltd unless delegated within this document.

Policy Statement

Financial records and accounts must be kept so that we can meet our legal and other statutory obligations such as to HM Revenue & Customs, the Charity Commission and common law. Beyond this, we have obligations to our funders, beneficiaries and stakeholders as set out in our mission statement and various declarations to funders and others. It is also considered prudent by Trustees that we set out clearly the various responsibilities expected so that the training provider can operate in a satisfactory manner as well as Trustees demonstrating proper financial control of the training provider.

The policy aims to:

Provide controls and procedures to: -

- 1) Protect Newton Rigg Ltd's assets.

- 2) Identify and manage the risks of conflicts of interest, loss, waste, bribery, theft or fraud.
- 3) Ensure that financial reporting is robust and of sufficient quality.
- 4) Ensure that the Trustees can comply with common law and regulation relating to finance.

Financial Controls

The financial controls of Newton Rigg Ltd are as follows: -

- 1) All financial transactions will be entered into the Xero system which has been adopted by Newton Rigg Ltd to analyse all transactions including those appearing on the bank accounts.
- 2) Accounts must be drawn up at the end of the financial year (30th April) as soon as possible to meet with regulatory requirements. Newton Rigg Ltd will employ a qualified accountancy firm to take primary responsibility for this task and will take advice from them as per duties in appointing qualified auditor/ independent examiner to audit the accounts if necessary.
- 3) Newton Rigg Ltd banks at Barclays Bank and accounts will be held in the name of Newton Rigg Ltd and no change can be made to these arrangements without prior agreement of the Trustees. Newton Rigg Ltd will require regular bank statements and the finance administrator will reconcile statements with our records. The petty cash record will be checked at intervals of no more than 3 months and signed by the responsible Trustee who will carry out this check.
- 4) All income received will be recorded promptly in the relevant Xero record without delay and banked as soon as possible unless it is deemed appropriate to enter the transaction in the petty cash book. All funds received will be banked within 14 days of receipt in all circumstances. Documentation backing all income transactions will be filed to back this up.
- 5) Payments will normally be made direct from Newton Rigg Ltd's current account as per the bank mandate which requires 2 people to authorise these payments, one of which must be a Trustee. There will be some occasions when this is not possible, and payments can be made by bank card by employees, authorised volunteers or Trustees as set out below. All bank cards will be issued only after Trustee approval (Trustees as a group as per the Newton Rigg Ltd's constitution) has been obtained.
